

You are invited

ACS Queensland Rockhampton Chapter presents:

EXPLORING LOCAL DIGITAL TRANSFORMATION JOURNEYS

Proudly sponsored by

Join the ACS Queensland Central Queensland Chapter for a local panel event, featuring leading tech industry perspectives on the future of Digital Transformation in Rockhampton and opportunities for tech employment, upskilling and investment. Hear and understand the impact digital transformation is making on the local economy particularly with respect to sectors such as agriculture, education, mining, and IT managed service, with panelists sharing their respective journeys.

→ WHEN?

Date: Thursday 23 June 2022

Time: 5pm registration for a 5.30pm start - 8:00pm

Venue: Customs House, Smart Hub, 208 Quay Street, Rockhampton

Pricing: Complimentary

Complimentary canapes and drinks will be served to support a great night of networking for the local ICT profession.
